

Exception 1: Delegated Panels for exam misconduct. Normal procedure is taken, however student is not invited to panel (but can submit a statement). The PS reviews the evidence and may consult with designated chair (who can convene a full panel if necessary) to come to a decision.

Panel held, Chair confirms whether the case is upheld and any penalty (penalty severity depends on whether students has been considered by Panel previously)

Within 10 days AM sends Panel report to student, Academic Advisor, MC, CAO, IO and SPA

Penalty applied to student record, where necessary

Exception 2: Online exams (DEX, CEX, MCQ). Marker provides MC with evidence file of suspected misconduct, cross-referencing all instances for easy reference. If MC agrees there is a concern, the MC/Marker may contact the student for discussion. MC sends evidence file and report of discussion (if held) to IO, who determines No case or Major (d)2.
