

# CHEER/UMEA Doctoral Seminar

14-17 March, 2016

For all social science doctoral researchers at the University of Sussex

## Neoliberalism, Education and Changing Values: Theories and Methods in Educational Research

The Centre for Higher Education Research and  
Innovation at the University of Sussex

- Studying Classroom Dynamics Using Mixed-Methods and Interventions  
Professor Eva Lindgren.
- Challenging the Mechanistic within Research Methodologies:  
Using Butler to Work both 'Within and Against Interpretivism'  
Dr Rebecca Webb

Only 25 places are available for University of Sussex researchers. To apply, send a 1 page summary of your research, including a 150 word abstract and a 150 word reflection on what you hope to get out of the programme to [Simone.Robinson@sussex.ac.uk](mailto:Simone.Robinson@sussex.ac.uk) by 12 December 2015.

Participants must commit to attending the whole 4-day programme, including social events.
